1) Opening Prayer:

The meeting started at 1pm with an opening prayer ably led by Mr. Chike Abhunu – Internal Auditor

2) Introduction Of Dignitaries/High Table:

The master of ceremony (mc) Mr. Michael Jonathan introduce those in the high table and dignitaries present, started from the Executive Chairman Hon. Golden Jeremiah, Vice Chairman, Political Secretary, the Leader of the Legislative Assembly, Supervisory Counselors, Principal Officers, several Royal Highnesses, Opinion Leaders, Youth Leaders, Women Leaders, Persons living with disabilities, Transport Unionist, other invited guest and the general public that came to graced the session/event.

3) Keynote address by the Executive Chairman:

The Chairman Hon. Golden Jeremiah welcome everyone present for honoring the invitation and creating time out from their busy schedules to attend this 'all Important meeting', especially the Royal Highnesses and unveil the essence of the gathering which he said was to know from the Grassroot - Rural dwellers what should makeup the budget for the Local Government Area. He made a particular reference of Idema community where bridges were commissioned that it can also be done in other communities as well, it may not just be culverts or bridges but other projects also if so required. In his observation some community had some projects that are put into use by the people. This he said may not have been what they really need, but imposed on them from somewhere or somebody.

4) Programme Highlight by the Head of Local Government:

Cde, Ndiomu, B'A acknowledge and salute the chairman of the Local Government and every other person present for honoring the invitation to discuss and make presentations as regards the 2026 Annual Citizen Budget, he said that budgets are planned before is effected, in his words, he said government resources are always used through a provision or guide called budget that before now, it was a top-bottom provision but now it is a bottom-top approach in attending to needs. That we are here to see the areas which are of vital needs which government have not identified for an all inclusiveness. For instance if it is a project of building a health centre, it should be brought forward and be taken as very important. That participant will be given project/request form to fill as requested therein.

He further mentioned that ours is a local government and the financial capability should be taken or put into consideration within that scope. All traditional rulers, youth leaders and all other critical stakeholders concerned are to take advantage of it and act accordingly for the general interest of the local government.

5) Interactive Session:

A handful of participants were accorded opportunity to speak before the request forms were issued for completion, they includes;

- i. Chief David Obodor, Chairman Oloibiri Chiefs Council presented/suggested for the following to be done thus; (1) building of a pavilion (2) walkway project of 600 meters leading to the town hall (3) landing jetty at Ewema community and (4) building of magistrate quarters after he expressed happiness in this laudable innovations.
- ii. The paramount Ruler of Ologi community His Royal Highness, Shadrack Okorodo M. express happiness to this paradigm, then presented/suggested the following project to be done in his community; (1) building of teacher's quarters (2) building of toilet Housing for women and (3) completion of a Health Centre for effective Health delivery, he also pleaded for it to be well monitored to it completion. However, the Executive Chairman called for the session to be on hold for want of time since specifics will be provided in the project suggestion/request forms and to be submitted to the designated authorities. After which, HRH King Oseni David Oseni the paramount Ruler of Elebele Community appreciated the chairman for an all inclusive programme of this magnitude and pleaded for it to be well informed and timely in future to prepare better as the session was well thought of. The chairman in his response thanked the Highnesses for pointing it out and promised for more inclusiveness and timeliness in future participation.

6) **Vote of thanks:**

Hon. Nicolas Arionni Digha the vice chairman thanked everyone for making out time to attend and prayed for efficiency and productivity.

7) **Closing prayer:**

This was ably led by the Paramount Ruler of Kolo 111 HRH Ominigbo Bamekpar who offered prayers of effective work delivery and journey mercies back to our respective homes. The meeting ended at about 2:55pm.
